ABOUT US

The residence 649 is a private company owned and operated by Chidiac & Daaboul Group.

This project is considered one of the most prominent hospitality projects in the North Metn area in Antelias.

The latter is seen as a natural gateway to the upper Metn regions thanks to its convenient distance from both Beirut and Keserwan in addition to its proximity to a number of large retail areas located between Nahr El Mot and Dbayeh".

Antelias has become also a touristic area thanks to its success in attracting investments, especially in the hospitality and tourism sector, with quality of services matching that of the top places the Lebanese capital has to offer".

From our door, its just a short walk to Antelias restaurants, cafés and bar street. ABC mall, Le Mall, Aishtii, Dbaye water front are just few minutes away from the location.

The Residence 649 includes 51 units ranging from studios to medium-sized apartments with superior and executive residences, which can be booked on a daily, monthly or even yearly basis in addition to 3 underground private parking garages.
